Subject: Request for Completion of Reclamation Contract, Surety, and Transfer,
Cameron #1 Mine, Asphalt Ridge, Inc., Uintah County, Utah

Dear Mr. Runquist:

On October 13, 2005, this office received via facsimile a partially completed reclamation contract and a completed Small Mining Transfer Form (MR-TRS) that was signed by Mr. Arentz, and unsigned by you. The Division did not receive original documents following the fax. In a Division letter dated November 9, 2005, you were advised of a deficient Permit Transfer Application with an action request. Approval cannot occur without the outlined requirements in the November 9, 2005 letter.

Since the Division has not received any further information or action from you, further review will be suspended until the required documents are received. **You are not authorized to conduct mining operations until you received final written approval from this office.**

Please contact me at (801) 538-5258 or Minerals Surety Coordinator, Beth Ericksen, (801) 538-5318 if you have questions regarding this letter. In reply, please refer to file number S/047/036.

Sincerely,

Susan M. White
